A qualifying transaction shall mean every transaction that is charged to your eligible Visa Platinum credit card covered by the Rewards Program. No points are earned for finance charges, fees, cash advances, convenience checks, ATM withdrawals, foreign transaction currency conversion charges or insurance charges posted to your account. Points, once earned, are valid up to 60 months and expire each March thereafter. All credit cards are subject to credit review and approval.

<sup>1</sup>Earn one point per dollar of spend on Visa<sup>®</sup> Platinum with credit lines up to \$4,999. Credit lines of \$5,000 or more will be automatically upgraded to the Visa Signature Rewards card and earn 1.25 points per dollar of spend.

<sup>2</sup>Annual Percentage Rate (APR) will be 0% for all purchases made and balance transfers completed during the first 12 months after account opening ("Promotional Period"). Offer valid on purchase and balance transfers only. You cannot use cash advances, or balance transfers to pay on an existing balance on other First Financial Bank credit cards or loans. No interest will be due on purchases made and balance transfers completed during the Promotional Period, if the purchases and balance transfers are paid in full prior to the end of the Promotional Period. After the Promotional Period ends, the APR will be your current annual percentage rate, which may vary with the market based on Prime rate. A 2% fee (min \$10) applies to all balance transfers.

<sup>3</sup>Points are earned based on qualifying net purchases using your First Financial Visa Platinum Rewards Credit Card. Qualifying purchases are defined as purchases minus returns and/or other related credits. The account must be in good standing to earn points. Accounts do not earn points for cash advances, balance transfers, unauthorized or fraudulent charges or for fees of any kind. Credits to your account (such as returns of purchases) will reduce the points available in your account. Points expire after 60 months. Subject to credit approval. See full rewards terms and conditions for the Visa Platinum Rewards Credit Card at [bankatfirst.com/creditrwardsterms](http://bankatfirst.com/creditrwardsterms).

<sup>4</sup>Earn 10,000 bonus points once you spend \$1,000 on qualifying purchases<sup>1</sup> in the first three (3) months after account opening. Ticket discounts valid for select home games and sections while supplies last. Specialty items, like jerseys and cleats, are excluded from the discount. Merchandise discount is not available at the stadium on game days. To receive the discount, present your FCC card at the team store, the box office, or enter FFB513 in the "Promo Code" field for online orders.

<sup>5</sup>Visa's Zero Liability Policy covers U.S.-issued cards and does not apply to certain commercial card transactions or any transactions not processed by Visa. Individual replacement fund amounts are provided on a provisional basis and may be withheld, delayed, limited or rescinded by your issuer based on factors such as negligence or fraud, delay in reporting unauthorized use, investigation and verification of claim and account standing and history. You must notify First Financial immediately of any unauthorized use. Transaction at issue must be posted to your account before replacement funds may be issued.
