Complimentary Health Savings Account

When you put aside funds for a Health Savings Account as part of your First WorkLife banking, there are no service fees. With First Financial Bank, your HSA goes further.

Complimentary Wealth Management planning review*

First Financial's wealth relationship advisors have the expertise and knowledge to help you make the most of your money — now and into the future.

Mobile banking and electronic alerts

In today's fast-paced world, you need a bank that can keep up with you. Take control of your accounts wherever you are with mobile banking and electronic alerts from First Financial.

Online banking and bill payment

Check your balances, make a transfer or pay bills 24/7. Banking is so much more convenient when it's done on your schedule.

Loan discounts

Save on rates when you apply for a car loan or home equity line of credit with First Financial Bank. Receive our best installment rates with automatic payment from your First Financial spending or savings account. Plus, pay no annual fee for the life of your home equity loan!

Overdraft protection⁵

Sometimes you need a little backup just in case. First Financial Bank offers overdraft protection for your spending accounts.

Dynamic transfer

If your account is overdrawn, dynamic transfer uses available funds from another account that you have authorized to cover the overdraft on your checking account. First Financial makes the transfer automatically on your behalf, saving you the inconvenience of expensive overdraft and bounced-check fees.

Personal financial guidance

Now, more than ever, it's good to have help making your way through financial decisions. First Financial Bank offers personal financial guidance to help you reach your goals and improve your finances.

Easy account transfer

Our professionals help you switch your accounts and set up direct deposits quickly and easily. Just ask an associate for details.
