

Lending Solutions

Take another step on your path to success with First Financial Bank. Are you planning a major purchase like a new car, new home, or second home? From your first new car to your first home, First Financial Bank is there for you. Tell us your plans, and we will help you find the best loan option to help you reach your goals.

Installment Loans

Need to make a purchase? From new furniture to a new car or boat, a simple installment loan may be your answer. You'll find our flexible terms and competitive rates make that special purchase fast and easy.

Mortgage Loans

Own your dream home. When you are ready to make a move, let us tell you about our mortgage choices. From adjustable to fixed-rate loans, we have a financial solution that is right for you.

Home Equity Line of Credit

Purchase what you want, when you want it. Borrow against the equity in your home to do home improvements, consolidate debts, pay for education, or accomplish any other goal. Access the equity in your home when you need it with the convenience of using an equity line check. Talk to your financial advisor to see if the interest you pay is tax deductible.

Online banking adds even more convenient features for making your home equity line of credit payment, viewing information about your account, and transferring funds.

Platinum Home Equity Line of Credit

Maximize your buying power. If you desire a larger line of credit, First Financial offers the Platinum Home Equity product with a minimum credit line of \$50,000 and no maximum.
