

## Checking Solutions

Take another step on your path to success with First Financial Bank. Tell us how you prefer to manage your money and make transactions, and we'll recommend the right account for you.

Save time and money with our flexible checking solutions. All of our accounts include unlimited check writing, free ATM transactions within our network, free VISA check card, and free online banking. As an added benefit, account access is right at your fingertips through the convenience of your phone with unlimited Banking on Call.

### Free Checking

**Quick and easy.** Free Checking has no monthly service fee and requires no minimum balance.

### Classic Checking

**Your checks are on us.** Classic Checking includes free check orders, free online bill payment, and free reduced size copies of the checks you've written.

### Plus Checking

**Let us pay you.** Earn interest on your balance. The more you save, the more you earn with tiered interest.

### Preferred Checking

**You've earned it.** Preferred Checking provides a wide array of services for our age-50-and-above clients. You'll enjoy free check orders, online bill payment, and reduced size copies of the checks you've written. You'll also earn tiered interest – the more you save, the more you earn!

### Success Checking

**Enjoy extra benefits.** With Success Checking you will enjoy great financial benefits, earning tiered interest, while having exclusive access to many valuable and convenient savings and protection benefits
