Quicken for Mac 2007 Conversion Instructions

Web Connect

Introduction

As **MainSource Bank** completes its system conversion to **First Financial Bank**, you will need to modify your Quicken settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive.

To complete these instructions, you will need your User ID and Password for each Financial Institution.

You should perform the following instructions exactly as described and in the order presented. If you do not, your online banking connectivity may stop functioning properly. This conversion should take 15–30 minutes.

Thank you for making these important changes!

Documentation and Procedures

Task 1: Conversion Preparation

1. Backup your data file. For instructions to back up your data file, choose **Help** menu > **Search**. Search for **Backing Up**, select "**Backing Up Your Data**," and follow the instructions.
2. Download the latest Quicken Update. For instructions to download an update, choose **Help** menu > **Search**. Search for **Updates**, select "**Checking for Updates to Quicken**," and follow the instructions.

Task 2: Disconnect Accounts at MainSource Bank on or after Tuesday, May 29, 2018

1. Choose **Lists** menu > **Accounts**.
2. Select the account to deactivate and click **Edit**.
3. In the **Download Transactions** drop-down list, select **Not Enabled**. Follow the prompts to confirm the deactivation.
4. Remove the information within the **Account Number** and **Routing Number** fields.
5. Click **OK** to save your edits.
6. Repeat steps 2 – 5 for each account to be disconnected.
7. Verify your account list does not display a blue online circle icon for the accounts you are disconnecting.

Task 3: Connect Accounts at First Financial Bank on or after Tuesday, May 29, 2018

1. Download your Quicken Web Connect file from **First Financial Cash Management Online Banking**.

NOTE: Take note of the date you last had a successful connection. If you have overlapping dates in the Web Connect import, you may end up with duplicate transactions.

2. Import your transactions to Quicken.
3. Associate the account to the appropriate account already listed in Quicken. Select **Use an existing account**.
4. Match the transactions you are importing to the corresponding existing Quicken account in the drop-down list and click **OK**.
5. Repeat steps for each account to be reconnected.
6. Choose **Lists** menu > **Accounts**. Verify each account at **First Financial Bank** has a blue online circle indicating it has been reactivated for online services.

Mint Conversion Instructions

[Mint.com \(V40\)](#)

Introduction

As **MainSource Bank** completes its system conversion to **First Financial Bank**, Mint aggregation services may be interrupted for up to 5 business days.

NOTE: You will be able to access online banking information by directly logging into your financial institution website during the interrupted time.

Mint Conversion Information

Mint.com data is stored on Intuit cloud servers. Data is updated with every change and cannot restore data to a previous point in time.

For a successful account update, do not login into Mint.com for **First Financial Bank** until 5 business days after **Tuesday, May 29, 2018**.

During this time, the Mint.com server will automatically make the system conversion for your activated accounts. If you login into Mint.com during this time, you may see duplicate accounts or an error displayed. Please do not attempt to change the status or make any changes in Mint.com during this time. After 5 business days, the accounts should reconcile showing your transaction history available.

In the event that your accounts do not display current transactions after 5 business days, you may log

back into Mint.com and click refresh  to update the account. After the download completes, click the Transactions tab to view up to 90 days of transaction history.

Thank you for your patience during these changes!
